Major Duties:

The incumbent will join a multidisciplinary research team whose goals are to study the development of cropping systems that conserve water and control wind erosion as well as the study of wind erosion effects on agriculture and the environment. At the full performance level, incumbent will provide technical support in the implementation, operation, and data analysis of experiments concerning soil water dynamics, crop water use efficiencies, surface energy balance, plant stress, soil surface stability, dust generation, and dust physical and chemical characteristics. Incumbent will work in a combination of laboratory and field environments and will often work as the lead member of a team during certain phases of experimentation. Will maintain data collection systems consisting of soil and atmospheric sensors as well as associated plant stress instruments. Laboratory equipment used in the on-going research will include balances, pressure plate chambers sonic sieves, laser-instrumented still air drop towers, and wind tunnels. Data analysis will involve the use of innovative statistical techniques and non-linear models. Some limited overnight travel may be required.

Qualifications Required: Your education and experience will be evaluated against all qualification requirements (basic and any additional requirements) listed below.

Basic Requirements

GS-5: Successful completion of a full 4-year course of study leading to a bachelor's degree (a) with major study in an appropriate field of physical science, or (b) that included at least 24 semester hours in physical science, engineering, or any branch of mathematics, except financial and commercial mathematics OR 1 year of specialized experience equivalent to the GS-4.

GS-6: 6 months of directly related graduate level education OR 1 year of specialized experience equivalent to the GS-5.

GS-7: 1 year of directly related graduate level education OR 1 year of specialized experience equivalent to the GS-6.

GS-8: 1 1/2 years of directly related graduate level education OR 1 year of specialized experience equivalent to the GS-7.

GS-9: 2 years of directly related graduate level education OR 1 year of specialized experience equivalent to the GS-8.

If qualifying all or in part based on your education, please submit a copy of your college transcripts OR a list of college courses with credit hours, dates completed, and grades received. If this information is not provided, your education may not be appropriately evaluated and you may lose consideration for this position. If your qualifications are based in any part on education and you are selected for this position, you will have to provide an official copy of your academic transcripts prior to entering on duty.

Additional Requirements:

Must have valid state issued driver's license.

Time-In-Grade Restrictions apply for all candidates considered under Merit Promotion/Alternative Merit Promotion.

Specialized Experience - experience which has equipped you with the following Knowledge, Skills and Abilities - 'KSAs' required to perform the duties of this position:

1. Knowledge of environmental/physical science principles and techniques necessary to understand the function and data values given by instruments used in lab and field studies.

2. Ability to operate and maintain laboratory and field equipment, instruments, and data collection systems.
3. Ability to collect, analyze, and summarize data using PC based computers and application software for analysis and graphics.

In addition, for the GS-8/9 grade levels, specialized experience must have also included:

4. Ability to locate, organize, and adapt information from published literature for use as guidelines for new procedures.

Other Important Information

Benefits Package:

A Benefits Package is authorized for this position. Additional information about Federal benefits can be obtained at www.usajobs.opm.gov/ei61.htm.

Veteran's Preference:

For further details, call the U.S. Office of Personnel Management (OPM) at 703-724-1850 or TDD 978-461-8404. Select General Information on the Federal Employment Policies and Procedures, and then Veterans Preference and Special Appointing Authorities for Veterans. Visit their VetGuide website at <http://www.opm.gov/veterans/html/vetguide.asp>.

Relocation Expenses:

Payment of relocation expenses will be determined in accordance with P&P 412.5, Recruitment and Retention Incentives and Other Special Pay, Sections 6 and 7, as amended by Bulletins 03-402 and 05-412.5, which may be found at <http://www.afm.ars.usda.gov/ppweb/412-05.htm#H10>. Financial Disclosure Requirement:

Federal employees are subject to prohibitions against officially dealing with outside organizations in which they have a financial interest. You may be required to submit a financial disclosure report if hired for this position.

False statements:

If you make a false statement in any part of your application, you may not be hired; may be fired after beginning work; or may be fined or jailed.

Optional Form 306, (Declaration for Federal Employment):

If you are selected for this position, you will be required to complete this form before an offer may be made.

USDA Surplus/Federal Displaced Employees:

USDA Surplus/Federal displaced employees must submit documentary evidence of eligibility. Well qualified surplus and displaced employees within the local commuting area will receive selection priority as provided by OPM regulations. Well-qualified means the applicant meets the basic qualification and eligibility requirements and all selective placement factors; is rated above minimally qualified against the KSAs or quality criteria; and is able to satisfactorily perform the duties of the position upon entry. Applicants must submit the following:

- 1) a copy of your RIF Separation Notice or Certification of Expected Separation or other documentation indicating that you are a surplus employee;
- 2) evidence of full performance level of current position;
- 3) a copy of your most recent performance appraisal; and
- 4) a copy of your most recent SF-50, Notification of Personnel Action, to verify reassignment eligibility.

Selective Service System:

Males over age 18 who were born after December 31, 1959, must have registered with the Selective Service System (or have an exemption) to be eligible for Federal employment.

Reasonable Accommodation:

Reasonable accommodation may be provided to applicants with disabilities. If you need a reasonable accommodation for any part of the application and hiring process, or have questions regarding reasonable accommodation and/or accessibility for any part of the application and hiring process, please contact the Disability Program Manager on 202-720-6161 or through the DC Relay Service on 202-855-1234 (TDD). The decision to grant reasonable accommodation is made on a case-by-case basis.

Civil Rights Policy Statement:

The U.S. Department of Agriculture (USDA) is an equal opportunity employer and provider. Discrimination is prohibited in all USDA programs and activities on the basis of race, color, national origin, gender, religion, age, disability, political beliefs, sexual orientation, and marital or family status. (Not all prohibited bases apply to all programs.)
